

CENTER FOR ADDICTION RECOVERY

GEORGIA SOUTHERN UNIVERSITY

Admission Checklist:

- _____ Admission to Georgia Southern University or East Georgia College
- _____ Program Application
- _____ Have three letters of reference sent in to the Center
- _____ Interview with Center staff

You must be enrolled at Georgia Southern University or East Georgia College to be part of the Center for Addiction Recovery. If you are having trouble being admitted *because of your criminal record*, we may be able to help.

The essay prompts at the end of the application do not need to be exhaustive. Write as much or as little as you think is sufficient to answer the questions.

The letters of reference simply need to affirm that you have been sober for at least six months and are working toward continued sobriety. They can be from your sponsor, counselor, probation officer, or the like. The letters must be *signed* and must come from the person writing the letter. By having the letters sent in you are acknowledging that the Center staff may contact the recommendation sources to follow up.

Applications and letters of reference may be scanned and sent to cfar@georgiasouthern.edu or:
